

THE
ENFORCER[®]
TRANSPORT SECURITY, INC.

**CARGOGUARD LATCH
LOCK #8075**

**Protects roll up door
handle and padlock
assembly from
pry bar or cutting
tools.**

CargoGuard Latch Lock

The ENFORCER[®] CargoGuard Latch Lock is portable and easy to install on any Todco[®] or Whiting[®] style roll up door. Made of 10 gauge high strength steel, the CargoGuard completely covers and protects the handle and padlock assembly from pry bar or cutting tools. An ABLOY[®] 341/50 high security padlock is usually purchased with the unit. Mounting instructions included.

AVAILABLE WITH
ABLOY 341/50 PADLOCK

**Customized Keying
Solutions**

Locks can be keyed alike, different or different to a master system. Keys are made of strong nickel silver to provide smooth, reliable operation with lasting durability.

Multiple Locks. One Key.

Master keying systems can be applied across various types of locks. For example, your ABLOY padlock, Air Cuff Lock* and King Pin Lock can all be keyed alike. One key opens all of your locks.

*If you are interested in possibly adding Air Cuff Locks to a master system in the future, we need to be notified before system is created.
