

Secures the trailer brake lines from unauthorized tampering.

Glad Hand Lock / Trailer Air Brake Lock for Trailers and Containers

The ENFORCER[®] Glad Hand Lock (also known as the Trailer Air Brake Lock) is designed to completely cover the glad hand mounting bolts to secure the trailer brake lines from unauthorized tampering. The #1450 is manufactured from a high strength aluminum alloy casting. The lock installs quickly and easily with a high security push button locking cylinder.

Customized Keying Solutions

Locks can be keyed alike or different. Keys provide smooth, reliable operation with lasting durability.
